

Wagner Free Institute of Science, Philadelphia, PA
Children's Educator

Description: The Wagner Free Institute of Science, a natural history museum, educational institution, and National Historic Landmark, seeks a full-time Children's Educator.

The educator will work within the Institute's Children's Education Department to develop and implement outreach programs serving neighborhood K-8 students, as well as community members of all ages.

Responsibilities:

- Deliver on-going educational outreach with local elementary schools
- Participate in program development, evaluation and refinement
- Collaborate with local peer organizations to plan and deliver outreach programs
- Provide workshops and training programs for teachers
- Serve as a mentor and partner for Children's Education interns
- Assist with Institute special events and visitor services
- Other duties as assigned

Qualifications:

- Bachelor's degree in education and/or science field required
- Minimum five years teaching experience in education or science related field required
- Familiarity with national, state, and local standards at the K-8 level
- Must work well with the public, possess excellent public speaking skills, and demonstrate interest and experience in science education
- Excellent organizational, and written and oral communication skills
- Outstanding time management skills, ability to manage multiple tasks and efficient working style
- Ability to work collaboratively, independently, creatively and to take initiative
- Proficiency in Microsoft Office
- Familiarity with Adobe Creative Suite preferred
- Criminal background checks required
- Personal transportation required
- Availability to work periodic evenings and Saturdays

To Apply:
